**REASONS FOR ALLOWANCE**

1. The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-57 are allowable over the prior art of record.

The examiner has found that the prior art of record shows similar limitations but not in the same scope, arrangement, or combination of a method, system, and program for enabling communication between devices using dynamic addressing comprising: receiving one frame from a first network device in a first set, wherein the frame is part of a first exchange of multiple frames between the first network device and one network device in a second set; allocating a first address in a second address format to the first network device to use to communicate during the first exchange of the frames; receiving one frame from a second network device that is a member of the first set pursuant to a second exchange of multiple frames between the second network device and one network device in the second set; and allocating one address in the second address format to the second network device to use to communicate during the second exchange of frames, wherein the address in the second address format allocated to the second network device is capable of comprising the first address or a second address in the second address format as set forth in the independent claims 1, 17, 33, and 42.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
